

Graphic Designer AY 25-26 Spring 2025

Graphic Designer

Working directly with the Health Communications Coordinator, you will have the opportunity to create marketing materials, graphics, infographics, booklets, and digital assets for all of the Health Promotion & Wellness topic areas. There will be opportunities for you to support general GatorHealth & Well-being (GHW) outreach campaigns by taking event photos or collaborating on smaller GHW projects.

What you will do:

Create, produce, and edit design projects that promote programs, events, workshops, campaigns, and resources
Develop interesting and relevant design concepts, graphics and layouts
Learn and create accessible PDFs
Collaborate with HPW Team on design projects

What it takes to be successful in this role:

You are committed to learning and growing personally and professionally
You enjoy thinking of creative ways to design
You have experience using graphic design programs such as Adobe Creative Suite (InDesign, Illustrator, Photoshop), and Canva
You are able to share a design portfolio with previous work examples or design homework assignments
You like to stay up-to-date with the latest design trends
You like working independently without direct supervision on a day to day basis
You are organized, like meeting deadlines, and a good communicator
You have an interest in health and wellness
