Place salmon in a microwave-safe bowl. Use a fork to flake it until it resembles canned fish. Add rice on top of salmon. Drizzle about 1 tablespoon of water over rice. Cover with parchment paper or plastic wrap and microwave until the rice is fluffy and everything is warmed through, about 2 minutes. Remove bowl from the microwave and discard the parchment/plastic wrap. Add soy sauce, mayonnaise and sriracha. Mix until fully combined. Top with avocado, kimchi, scallions, sesame seeds, and seaweed snack.
